

NAME: Emma Priest

TYPE OF GOVERNOR: Co-opted Governor

MINI BIOGRAPHY:

I have a daughter attending the school and like to volunteer to support the stages in her life. I am a working mum, so like a lot of us I am used to the balance of family life and working, whilst making the time we have as a family enjoyable. My day job is working in Human Resources, so hopefully this brings some skills to offer in regards to the running of the School.

Likes:

Family time, playing games, catching up with friends.

Dislikes:

The fact that life can feel so busy at times – although I do like being busy!

My favourite thing about Downview Primary School:

My daughter loves it!

The staff are very approachable, supportive and make the learning fun and interesting, yet focused – they all seem to have a good sense of fun too! Somehow from a parent perspective the staff make it look easy – I personally appreciate all the hard work that goes into their daily achievements.
