

NAME: Janet Ramsdale

TYPE OF GOVERNOR: Secretary to the Governing Body

MINI BIOGRAPHY:

We moved to Felpham from Ruislip, Middlesex in December 1998 when our two boys were 9 and 5, both starting at Downview County Primary (as it was then) in January 1999. Prior to having my family, I had worked as a secretary both in central London and abroad, and a chance conversation with the then Vice Chair of Governors one day led to my becoming Clerk to Governors in January 2006. Since then, I have seen the Governing Body go from strength to strength, growing into the committed, hard working team that it is today.

Likes:

Beaver Scouts, (in my spare time I am a Beaver Scout Leader), zumba, detective novels, good TV drama, theatre, travel.

Dislikes:

TV Soaps, rudeness, bad manners, apostrophes in the wrong place!

My favourite thing about Downview Primary School:

Downview is a vibrant, happy school whose brilliant staff strive to achieve so much for their children. It is wonderful to see the children's smiling faces when I go into school and I am proud to be a small part of it.
