

**NAME:** Maxine Smith

**TYPE OF GOVERNOR:** Parent Governor

**MINI BIOGRAPHY:** I have been living in West Sussex since the year 2000 when I started working at Goodwood. I met my husband Gary in 2003 and since then we have settled in Middleton with our two children Ethan and Bethany who are both at Downview in years 3 and 1 respectively and am now enjoying taking some time out whilst pursuing other interests.

**Likes:** The Sea, reading, making cards, baking, dancing in my kitchen, kindness and oh yes Children

**Dislikes:** Discourteousness and Heavy metal (music)

**My favourite thing about Downview Primary School:** This is hard just to name one thing however I think the thing that stands out for me is all who have something to do with the school share a noticeable passion in ensuring our children achieve the best of their potential.
