

Dear Parents, Carers and Children,

Another school year is drawing to a close and I am convinced they go by quicker every year! Downview has had yet another busy year and I do hope that all the children have had a thoroughly enjoyable year and are looking forward to their new adventures in September.

Governors:

At the end of this term we are saying goodbye to Mr Pete Ansell one of our Co-Opted Governors. We are really grateful for the valuable contribution he has made to the work of the governing body and the school. Following a governance restructure this position will not be filled.

Governors Woodland Classroom Report:

Governors visited the Woodland Classroom during the course of a few weeks and spent time with some of the classes as they enjoyed their learning in this area. We all had a wonderful time and were made to feel very welcome by staff and children alike. A copy of the Governors report can be found on the school website and will soon be in the reception area in hard copy along with photos taken during our visits.

Governors Wish Lists:

We would like to say a huge thank you to everyone who has purchased items from our Amazon wish lists. You have made a huge difference to enhancing your children's learning experiences. It is our intention to update the lists on a fairly regular basis. Any item purchased from any of the different lists shall continue to be gratefully received.

Governors would like to take this opportunity to thank every single member of the staff for all their hard work over the last year. We hugely appreciate everything they do for the school.

Finally, we would like to bid farewell to all our current Year 6's as they venture on to pastures new.

I wish you all a peaceful and happy summer. Let's hope for great weather.

Kind regards

Sue Hawthorn

Sue Hawthorn
Chair of Governors
