MINI BIOGRAPHY:

I have been a Parent Governor since 2009. My eldest son Rhys left Downview Primary School last year (2014) and my youngest son Samuel is in currently in Year 4. I work for Sussex Police having served 27 years, working across the County in a variety of roles. At weekends, I am also the manager of my son's football team with Felpham Colts Football Club.

Likes:

Most team sports, particularly Football and Rugby and taking my sons to watch these live sporting events.

Dislikes:

Marmite and rudeness!

My favourite thing about Downview Primary School:

I have always liked the friendliness of the whole school community, the positive commitment of the staff and watching at first hand the learning that takes place with the children.
