MINI BIOGRAPHY:

I've lived in the area for about 10 years. I've got two girls in KS1 at Downview and a step son at SPH in Barnham. I've spent all of my working life in technical roles around the radio and TV industries. I'm now self-employed, working on media projects.

Likes:

Music (including very limited piano playing!). Technology & computers. DIY. Chocolate.

Dislikes:

Science fiction. Chaos!

My favourite thing about Downview Primary School:

Both of my girls have been through Downview's Reception class. I'm a huge fan of the whole team there. It's such a lovely and supportive environment for children taking the massive step from nursery to school. The girls are also continuing to enjoy their time as they move up the school.
