

NAME: Sue Hawthorn - Chair of Governors

TYPE OF GOVERNOR: Co-Opted

MINI BIOGRAPHY:

My husband John and I moved down to Felpham from St Albans some twelve years ago now with our two sons both of whom attended Downview School. They will soon be 21 and 18 which makes me feel old.

As I did not know anyone when we moved to the area I decided to get involved with the school and the rest, as they say, is history.

Likes:

I find cooking a way of relaxation and thoroughly enjoy it. I also enjoy going for long walks with my husband (weekends only) going to the gym and reading. I am not very good at sitting and doing nothing which can annoy my family at times.

Dislikes:

I have a phobia about things that fly especially pigeons! I dislike bad manners, soaps and reality TV, Being Cold!!

My favourite thing about Downview Primary School:

The lovely atmosphere around the whole school, the great staff and the friendly children. Well about everything really.
