

Year 2 Home Learning Activities.-March 2020

- We would suggest the following activities set out in a 6 week plan to support your child's learning at home. We will update you with further activities should this prove necessary.
- We have also included some additional Maths challenges.
- Please log in to Purplemash-using the username and password sent home and complete activities set for you (click on the purple bell to see the activities set for you)
- Log in to Numbots and complete number activities which will continue to develop mental maths skills.
- Cosmic Kids Yoga is a great site for daily physical activities and relaxation.
- Joe Wicks is also holding free PE lessons on line if you are not able to play in the garden, park or at the beach.

We will miss you all and look forward to getting back to normal as soon as possible. We have enclosed a timetable similar to the one used at school which might help you to structure your learning day at home.

See you soon, take care and stay happy and healthy,

Best Wishes to you all,

Mrs Oliver, Miss Samy and Mrs Dobbin.

Year2 Homework suggestions Spring 2 2020

Library Visit

Please visit the local library and choose some books together. You can choose up to 20 books on each visit and it's completely free to join. You can join online or complete the form attached and take it with you when you visit-please ask if you would like a copy of this form.

Reading

Please continue reading with your child *or* to your child every day. Fill in the grid in the reading journal each time you read. Please complete a reading comprehension activity each week (from the booklet sent home).

Spelling

Please keep practising the Year 2 spelling words. Remember to Look, Cover, Write and then Check. If you would like another copy of the spelling list please ask your child's teacher.

Vocabulary Grid

Talk about the meaning for the words and phrases on the grid.

Maths

Use **Numbots** using the password from Parents Evening. Use **My Maths** to practise your mental maths skills. The password for My Maths is 'share'. User name: downview.

Maths

Find the difference between 2 numbers. Remember to take the smaller number away when finding the difference.

Difference between 10 and 14	Difference between 11 and 4
Difference between 15 and 5	Difference between 100 and 40
Difference between 7 and 19	Difference between 18 and 15
Difference between 33 and 9	Difference between 22 and 4
Difference between 10 and 14	Difference between 66 and 18

Maths

Solve the following problem.

Here are three digit cards.

Place the digit cards in the number sentence.

How many different totals can you find?

$$\square\square + \square =$$

Which is the smallest total?

Which is the largest total?
