

Suggested Homework Activities for Year 2

Please choose some activities with your child at any time over the half term. Any written work, drawing or pictures etc. can all be kept in this book. Please use all the pages in the book. Please bring your book and Maths challenge back into school on **Monday 10th February**.

Topic

Can you make a hedgehog house for your garden? Follow the instructions on the sheet and keep an eye out for hedgehogs. Take a photo if possible.

Reading

Please continue reading with your child *or* to your child every day. Fill in the grid in the back of the reading journal for extra rewards and class prizes! How much can we read this term? Daily reading with an adult at home has been proven to make a huge impact on progress. Please use the question ideas (stuck into reading journals last term) to help further develop comprehension skills.

Spelling

Please keep practising the Year 2 spelling words. Write sentences which include these words.

Maths

Sweet Shop Challenge- please refer to challenge sheet attached.

Mental Maths

- Use your log in for Times Tables Rock Stars
 - practise your times tables (2s, 5s and 10s)
- Extension: Learn your 3 and 4 times table in and out of order.
- Learn all the addition facts up to 20 by heart- see the sheet attached.
