

Homework Activities for Summer Term (1st Half)

Reading

Please continue reading with your child every day. Fill in the grid in the back of the reading journal for extra rewards and class prizes! How much can we read this term?

Daily reading with an adult at home has been proven to make a huge impact on progress. Remember to discuss your child's book with them and encourage them to ask and answer questions about the characters, what might happen next and the setting. Encourage them to explain their ideas and describe how different aspects of the story relate to their own life.

Spelling

We have started our new spelling scheme-Song of Sounds and the children are enjoying learning the songs and spelling patterns. The children will have a list of spellings to practise each week. This will be stuck in their Reading Journal every Monday.

Maths

Tricycles and Go-Karts Challenge.
