

Year 3 Autumn Term 2nd Half Homework Activities

These are suggested activities so do not worry if you haven't got internet access or you are unable to do it all. Try your best and present your work neatly. If you have any books, pictures or objects that are relevant to the topic we would love to share them at school! Remember to read every day at home and write in your reading journal. As always, we would welcome any resources, expertise or artefacts relating to our topic, and help to hear readers. Thank you for your continued support!

	Topic/Literacy Activity	Spelling	Maths
6th Nov	Write a reading quiz with 5 questions about a book from your new book box. Read the book to someone at home and ask them to do your quiz.	minute, interest, learn, length, library, natural, notice	Noah saw 12 legs walk by into the ark. How many creatures could he have seen? How many different answers can you find? Can you explain how you found out these answers?
13th Nov	Use an Atlas to create an alphabet of places in the United Kingdom. Don't forget to use a capital letter for a proper noun.	perhaps, popular, possible, potatoes Probably, promise, quarter	Make up a word problems that uses the 3 X table. E.g: 3 children can sit at each table in the classroom. How many tables would be needed for 17 children?
