

SCIENCE

Teeth & Moving & Growing – ‘The White Stuff’

- We will be looking at the different functions of teeth, their care & the need for a good diet.
- Looking at the different bones & their functions, how the growth rate of bones affects our size & how muscles work to help us move.

YEAR 4 - Spring Term

‘Swords and Sandals’

LITERACY

The children will continue to learn & practise their skills within both reading & writing.

Looking specifically at:

- Non-fiction texts – research skills (linking to both our History & Science work)
- Historical fiction.
- Recounts.
- Direct speech.
- Drama and role play.
- Story writing
- Persuasive writing
- Top Tips

MATHS

The children will continue to practise both their mental maths skills & their written methods of working within Maths, including problem solving. Topics particularly to be covered this term include:

- Using and applying four main operations.
- Place value
- Rounding to 10, 100 or 1,000.
- Time.
- Decimals.
- Times tables

Useful internet sites you might want to have a look at with your child to support the curriculum.

www.butser.org.uk

www.english-heritage.org.uk/education

www.thebritishmuseum.ac.uk
