

This is the topic web for the Summer Term 2020. We will send further learning activities linked to this on a weekly basis.

Literacy

- Persuasive leaflets: to visit Disney World Resort in Florida and for a local tourist attraction - somewhere you have been and enjoyed.
- Non-fiction writing: information writing about Sharks and Turtles
- Hurricane research: instruction writing for how to stay safe in a hurricane.
https://www.weather.gov/media/safety/hurricane_safety.pdf
- create your own safety advice leaflet.
- There's a boy in the girl's bathroom by Louis Sachar - this is the book that we would have been reading this term.

P.E

- Athletics
- Striking and fielding

Maths -Use White Rose home learning and Mymaths

- Decimals -adding and subtracting wholes and decimals, decimal sequences, multiplying decimals by 10, 100 and 1,000.(move the digits to the left or right!!)
- Properties of shape Mymaths year 5 Measuring Angles. Can you make some Acute/Obtuse angles with your body? Or can you find some around the home? Take some photos.
- Continue with 4 operation arithmetic
- Position and direction use Mymaths translation and reflection
- Measure - converting units of measure use Mymaths converting measures. Have a look at packaging in your cupboards at home and see if you can convert them! This usually involves dividing or multiplying by 1,000 which you have already done!

Geography Ideas -We will send ideas on a weekly basis.

- Identifying States of America
 - Geographical features of Florida
 - Compare and contrast climate Florida to another American state
 - Tourism - why people visit Florida?
 - Endangered species, e.g Turtles
 - How hurricanes are formed and how they affect people.
<https://www.geographyinthenews.org.uk/issues/issue-42/explaining-hurricanes/ks2/>
- Below is a link to episode 7 of the Blue Planet series. Use this as stimulus to create a poster or letter to persuade members of your family to remember to recycle and reuse their plastic waste and not to use single use plastic bottles or bags!
