

By Cedar, Oak, Laurel, Apricot and Strawberry.

For seven years you will come,
To this lovely school and have fun
All the children sing and play,
Having fun every single day

A new extension we've just had,
You should come here you'll be glad!
Everyone here is really kind,
And we all have a creative mind.

You will learn lots of facts,
And lots of playtime to relax
You'll make friends and laugh out loud,
And you'll make yourself feel proud!

Our school is outstanding as can be,
Let's learn together, come with me
We will do maths and read and learn A,B,C
Writing fantastic poems in Literacy!

At Downview you'll never be without a friend,
Growing and learning right until the end.
