Downview's an amazing place,
Puts a smile upon your face
Witty teachers, thrilling lessons,
Children filled with effervescence.

Healthy eating, having fun,
In the playground we shall run.
Meeting friends here everyday,
We love Downview - Hip Hip Hooray!

Learning maths and literacy too,
Art, science, PE all day through,
On Friday we have Golden Time,
And Child of the Week which is sublime.

When we read we are full of joy,
Reception learn when playing with toys.
We love to dance we love to sing,
Having fun at school is our favourite thing.

At Downview we are a creative bunch,
We love painting, sewing and having lunch,
Downview is an outstanding place,
It puts a smile upon our face.
